## Mediterranean universes.

en / A farm under the blue sky of Salento, a volume of rough stone among the vineyards and olive groves, simple and regular like the pace of work in the fields. A palace in the heart of Lecce that reveals a secret garden, where nature becomes wonder, sensuality, mystery. Two worlds that meet on the border between countryside and city, past and present, harmony and contrast. A new stage in Ethimo's journey through time, space and forms of living.

it / **Universi mediterranei.** Una masseria sotto l'azzurro cielo del Salento, un volume di pietra grezza tra le vigne e gli oliveti, semplice e regolare come il ritmo del lavoro nei campi. Un palazzo nel cuore di Lecce che svela un giardino segreto, nel quale la natura diventa meraviglia, sensualità, mistero. Due mondi che si incontrano al confine fra campagna e città, passato e presente, armonia e contrasto. Una nuova tappa nel percorso di Ethimo attraverso il tempo, lo spazio, le forme del vivere.

fr / **Univers méditerranéens.** Une ferme sous le ciel bleu du Salento, un volume en pierre brute au milieu des vignes et des oliviers, simple et régulier comme le rythme des travaux des champs. Un palais au cœur de Lecce qui dévoile un jardin secret, où la nature devient émerveillement, sensualité et mystère. Ces deux mondes se rencontrent à la frontière entre ville et campagne, passé et présent, harmonie et contraste. Une nouvelle étape dans le parcours d'Ethimo à travers le temps, l'espace et les modes de vie.

de / **Mediterrane Welten.** Ein apulisches Bauernhaus unter dem strahlend blauen Himmel des Salento, ein Gebäude aus rauem Stein zwischen Weinbergen und Olivenhainen, einfach und schlicht, wie der Rhythmus der Feldarbeit. Ein Palazzo im Zentrum von Lecce mit einem verborgenen Garten, der eine mitreißende, sinnliche und gleichzeitig rätselhafte Natur freigibt. Zwei unterschiedliche Welten, die an der Grenze zwischen Stadt und Land, Vergangenheit und Gegenwart, Harmonie und Gegensätzen angesiedelt sind. Und eine neue Etappe der Reise von Ethimo durch Zeit, Raum und Lebensarten.

es / **Universos mediterráneos.** Una masía bajo el cielo azul de Salento, un muro de piedra seca entre viñedos y olivares, sencillo y regular como el ritmo del trabajo en el campo. Un palacio en el corazón de Lecce que esconde un jardín secreto, donde la naturaleza se convierte en maravilla, sensualidad y misterio. Dos mundos que se encuentran en la frontera entre campo y ciudad, pasado y presente, armonía y contraste. Una nueva etapa en el viaje de Ethimo a través del tiempo, el espacio y las distintas formas de vivir.

A baroque stage where light and shadow, cultural and natural references, exotic plants and new perspectives, memories and discoveries merge.

Uno scenario barocco in cui si fondono luci e ombre, riferimenti culturali e naturali, piante esotiche e prospettive inedite, memorie e scoperte.

Un décor baroque où se mêlent ombres et lumières, références culturelles et naturelles, plantes exotiques et perspectives inédites, souvenirs et découvertes.

Ein barockes Szenario, das Licht und Schatten, Kunst und Natur, exotische Pflanzen und neue Blickwinkel sowie Erinnerungen und Neuentdeckungen in sich vereint.

Un escenario barroco en el que se funden luces y sombras, referencias culturales y naturales, plantas exóticas y perspectivas inéditas, recuerdos y descubrimientos.

**Matter and spirit.**

en / The intertwining of ancestral traditions and rigorous geometries gives shape to a new lounge and dining collection. The colours of Mediterranean nature, vital and inspiring, flood shapes that are wise in their balance, and refined in their inspiration and creation. Teak wood structures recall ancient looms, marble and lava stone tell stories about matter.

it / **Materia e spirito.** L'intreccio fra tradizioni ancestrali e geometrie rigorose dà forma a una nuova collezione lounge e dining. I colori della natura mediterranea, così vitali e ispiratori, vestono di motivi inediti forme sapienti nel loro equilibrio, ricercate nell'ispirazione e nella realizzazione. Strutture in legno di teak ricordano antichi telai, marmo e pietra lavica raccontano storie materiche.

fr / **Matière et esprit.** Le mélange de traditions ancestrales et de géométries rigoureuses donne naissance à une nouvelle collection lounge et dining. Les couleurs de la nature méditerranéenne, si vivantes et inspirantes, habillent de motifs inédits des formes savamment équilibrées, raffinées dans leur inspiration et leur réalisation. Les structures en teck rappellent d'anciens métiers à tisser, le marbre et la pierre de lave racontent quant à eux des histoires de matières.

de / **Geist und Materie.** Die Verknüpfung uralter Traditionen mit schlichten Formen bildet die Grundlage für die neue Lounge- und Dining-Kollektion. Die lebendigen und inspirierenden Farbtöne der mediterranen Natur sind eine ideale Ergänzung der neuen Entwürfe, die sich durch ein ausgewogenes Gleichgewicht, edles Design und hochwertige Verarbeitung auszeichnen. Das Teakholz erinnert an alte Webrahmen, während Marmor und Lavastein mit ihrer materischen Ausstrahlung bestechen.

es / **Materia y espíritu.** El cruce de tradiciones ancestrales y geometrías rigurosas da forma a una nueva colección de salón y comedor. Los colores de la naturaleza mediterránea, tan vitales e inspiradores, visten con motivos inéditos formas sabias en su equilibrio, refinadas en su inspiración y ejecución. Las estructuras de madera de teca rememoran antiguos telares, mientras que el mármol y la piedra de lava cuentan historias materiales.

Beyond the wrought iron gate, behind the warm and sunny shades of the ancient stone facade, a new and fascinating dimension of life is revealed.

Oltre il cancello in ferro battuto, dietro le calde e solari tonalità dell'antica facciata in pietra, si svela una nuova e affascinante dimensione di vita.

Au-delà du portail en fer forgé, derrière les tons chauds et ensoleillés de l'ancienne façade en pierre, une dimension de vie nouvelle et fascinante se révèle.

Die warmen, hellen Farben der alten Steinfassade hinter dem schmiedeeisernen Tor eröffnen die Dimension eines neuen, faszinierenden Lifestyles.

Más allá de la verja de hierro forjado, tras los tonos cálidos y soleados de la antigua fachada de piedra, se revela una nueva y fascinante dimensión de la vida.

## Creative forging.

en / New products in which mottled marble meets ceramic, in a fusion of shades that recall earth, fire and Mediterranean flora. Even wrought iron, an expression of timeless art and craftsmanship, bends to new experiments and intuitions, creating an illuminating sculptural form with a strong scenic presence.

it / **Fucina creativa.** Nuovi prodotti in cui il marmo screziato incontra la ceramica, in una fusione di tonalità che richiamano la terra, il fuoco, la flora mediterranea. Anche il ferro battuto, espressione d'arte e artigianato senza tempo, si piega a nuove sperimentazioni e intuizioni, creando una scultorea forma illuminante, di forte presenza scenica.

fr / **Vivier créatif.** Les nouveaux produits allient marbre jaspé et céramique dans un mélange de tons qui rappellent la terre, le feu et la flore méditerranéenne. Même le fer forgé, expression intemporelle de l'art et de l'artisanat, se prête à de nouvelles expérimentations et intuitions, créant une forme sculpturale lumineuse dotée d'une forte présence scénique.

de / **Kreativwerkstatt.** Die neuen Entwürfe kombinieren gesprenkelten Marmor mit Keramik und Farbtönen, die sich an Erde, Feuer und Mittelmeermacchia inspirieren. Auch das Schmiedeeisen, Inbegriff eines klassischen Kunsthandwerks, wird auf neue Weise zu einem skulpturenhaften Beleuchtungselement interpretiert, das dem Gesamtbild eine markante Note verleiht.

es / **Forja creativa.** Nuevos productos en los que el mármol moteado se encuentra con la cerámica, en una fusión de tonos que evocan la tierra, el fuego y la flora mediterránea. Incluso el hierro forjado, expresión atemporal del arte y la artesanía, se presta a nuevas pruebas e ideas, creando una forma escultórica iluminadora con una fuerte presencia escénica.

# Iconic collections.

## Patio

Design: Zanellato / Bortotto

Collection composed of:  
 lounge armchair / sofa / daybed  
 / free-standing hammock / coffee table  
 / dining armchair / dining table

Daybed with natural teak frame and backrest in woven flat rope. Cushions in polypropylene Deep Green fabric. Back cushions in Madre Perla and Papaya polypropylene fabrics. Coffee tables with aluminium frames and decorative rope, tops enamelled lava stone.

The warmth of the sun, the shade of the porticoes, the allure of a secret garden. Nature and architect interweave to create new forms of outdoor living. The thread running through the Patio collection is the rediscovery of traditional weaving borrowed from different cultures, with their fascinating geometric patterns and clever craftsmanship. Their study has led to unusual motifs, both structure and decoration for welcoming, seducing, refined furniture. Woven arches in blue, contrasting delicately with the lighter colours of the grid, cover the backs of the dining chairs, the armchair, sofa and lounge bed. The structures in teak look like looms on which expert hands have stretched warps and wefts.

Technical info p. 260

## Patio

Design: Zanellato / Bortotto

A sensation of being rocked by the waves of memory, letting go to a feeling of total wellbeing, in harmony with nature.

Technical info p. 260

Free-standing hammock with frame in aluminium  
Limestone and natural teak. Hammock in woven flat rope  
Laguna and flat rope Light Grey. Details in natural teak.

# Patio

Design: Zanellato / Bortotto

Inspiration for the tables in the Patio collection comes from the mooring bollards that boat ropes are wrapped around. The dining tables have tops in Cipollino marble and travertine, materials used for thousands of years in furnishings and architecture. Whereas the coffee tables are made with tops in enamelled lava stone, in a deep vibrant colour.

Technical info p. 260

Round and oval dining table with aluminium frame and decorative flat rope. Top tables in Cipollino marble and Travertino. Dining armchairs with frame in natural teak and backrest in woven flat rope. Seating cushions in polypropylene Madre Perla and Deep Green fabrics.

## Grand Life

Design: Christophe Pillet

Collection composed of:  
loung armchair / sofa  
/ bergère / dining armchair  
/ sunbed / coffee table

With a sartorial style and pure lines, Grand Life is a lounge collection with structure in teak and woven rope. The wide proportions and the soft cushions emphasize a sense of comfort and well-being. A collection conceived as a tribute to timeless Italian elegance. The craftsmanship of the braiding evokes weaving of the ancient Vienna straw, giving an elegant personality to this collection that invites you to live in harmony with nature.

## Rafael

Design: Paola Navone

Collection composed of:  
/ lounge armchair / daybed  
/ coffee table / sunbed  
/ dining armchair / dining table

Rafael has unusual and characterising shapes, inspired by the sophisticated versatility of nature. Brushed teak wood defines the sturdy structure of the spacious lounge chairs and sun loungers, where the unstructured shape of the backrests is complemented by a touch of craftsmanship provided by the burnished wooden staples. The cushions feature bright colours and contemporary patterns.

## Yacht Collection / Baia

Design: Christophe Pillet

Collection composed of:  
loung armchair / sofa  
/ modular sofa / daybed  
/ sunbed / pouf / coffee  
table / lamp

Baia has a sartorial elegance in which selected fabrics dress the sofas and armchairs in natural tones, which can be further interpreted with subtle stripes or combined with eco-friendly leather bands. The heritage appeal of the entire collection meets the contemporary nature of materials and workmanship specific to the nautical world, in a balance of aesthetic and technical needs. The coffee table with travertine top is a clear reference to the connection with the natural world, without ever abandoning the link with the peculiarity of its function.

Technical info p. 264

# Yacht Collection / Baia

Design: Christophe Pillet

## Yacht Collection / Baia lamp / Tender / Isola

Design: Christophe Pillet

Collection composed of:  
lamp / side table / pouf

The entire collection allows for material combinations that indulge creativity. The two nuances of aluminium can be combined with the two types of wood without predefined patterns, always maintaining the quality of performance required by the nautical sector.

The idea of modularity underpins the concept of the yacht collection, so the daybeds and loungers, like the coffee table, can be combined together with the welcoming lines of Costiera, fitting fluidly into any type of project.

Technical info p. 264-266

Baia and Costiera lamp with aluminium frame and LED luminaire / Tender side tables with aluminium frame and hand tray in iroko wood / Isola pouf in Dharma fabric.

## Yacht Collection / Costiera

Design: Christophe Pillet

Collection composed of:  
loung armchair / sofa  
/ modular sofa / lamp

The Costiera seats have voluminous armrests and a cocooning upholstery, with which the desire for generous comfort is combined with the specific functional features required by the marine environment. Costiera comprises classic elements, such as the sofa and armchair, and large modular seats that can be composed in the space without limits, responding to every specific need. An idea of modularity with a convivial and contemporary essence. The Cruise or Maiorca fabrics emphasise the link with the nautical world and nature.

Technical info p. 265

in Cruise fabric.

## Venexia

Design: Luca Nichetto

Collection composed of:  
lounge armchair / 2 seater sofa  
/ back end module / coffee table  
/ dining armchair / dining table

The aluminium of the frame creates a soft alternation of solids and voids, emphasising the light design that characterises the entire collection. The dining set evokes the colours of the mineral world and the material difference between the table top and the frame has a pleasant visual continuity. Mineral grey and limestone white enhance the cosy shapes of the lounge sets where the soft cushions recall the colours of stone and earth. The low side tables complement the modularity of the daybeds offering a sensation of well-being.

Technical info p. 267

Lounge set with Mineral Grey aluminium frame.

## Venexia

Design: Luca Nichetto

# Rotin

Design: Zanellato / Bortotto

Collection composed of:  
2 seater sofa / lounge armchair  
/ pouf / coffee table

A new idea of outdoor living inspired by traditional bamboo bending, where the frame in pickled teak or aluminium is modelled into sinuous shapes that embrace the refined padded upholstery that supports the seating. Rope is an elegant detail that unites and decorates. The coffee table tops combine extraordinary creativity in use of colour with traditional marble and stone craftsmanship. Made entirely by hand, they generate fabulous patterns and compositions, some inspired by the Palladian technique.

Technical info p. 268

# Rotin

Design: Zanellato / Bortotto

## Calipso

Design: Ilaria Marelli

Collection composed of:  
S module / L module  
/ XL module / mattress  
/ coffee table

The modules in teak form the base for oversize cushions, designed to be freely arranged, while the backs and armrests embrace the body in any position. The sofa can be instantly transformed into a comfortable lounge bed. The coffee table tops have circular profiles and tops in ceramic stone or enamelled lava stone.

Technical info p. 269

# Swing

Design: Patrick Norguet

Collection composed of:  
loung armchair / 2 seater sofa  
/ XL sofa / modular sofa / club armchair  
/ porch swing / coffee table  
/ barstool / dining armchair  
/ dining table / pouf / lounge bed

An icon of contemporary outdoor living, the Swing collection resembles a nest that embraces both body and mind. Teak is repeated symmetrically on the solid metal frame, in a light alternation that highlights the continuity with nature, characterising the backrests of the lounge seats. The rocking chair is synonymous with lightness and wellbeing; the modular sofa is composed in the space to suit every need.

Technical info p. 270

## Swing

## Pluvia / Concreto

Design: Luca Nichetto

Collection composed of:  
Pluvia – Natwick dining armchair  
/ round rope dining armchair

Concreto – Dining table

Inspired by the '80s seats, the Pluvia armchair dresses its contemporary aluminium frame with a handcrafted tricot weave. Ergonomic and stackable, Pluvia is a balanced synthesis of aesthetics and function.

The Concreto collection reinterprets the classic bistro table. Available in different shapes and heights, the tables are characterised by an unusual combination of materials. The exquisite teak of the tops is combined with the contemporary aluminium of the frame and the strength of the concrete that forms the bases.

Technical info p. 275

/ Concreto round dining table with frame in Warmwhite aluminium and base in concrete. Top table in natural teak.

## Nicolette

Design: Patrick Norguet

Collection composed of:  
dining armchair / barstool

In die-cast aluminium and with enveloping shapes, Nicolette combines technology and design, creating a robust and sophisticated seat suitable for outdoor spaces and elegant indoor environments.

Technical info p. 276

# Allaperto

Design: Matteo Thun  
& Antonio Rodriguez

Collection composed of:  
loung armchair / 2 seater sofa  
/ coffee table / sunbed / lounge bed  
/ hanging armchair / free-standing  
outdoor swings

Allaperto is a single philosophy for four different outfits, in which the appearance changes but not the essence. Veranda, Nautic, Mountain and Urban are different concepts to live contemporary outdoor spaces in contact with nature. Natural rattan is the protagonist of the Veranda mood and it enhances the craftsmanship of the weave.

The suspended armchair, also available in the swing version, combines the fiber with the teak of the armrests. In the Nautic version the woven rope tells a sea life mood and ensures durability and resistance. The Urban outfit is the perfect set for metropolitan skylines.

# Ribot

Design: Marc Sadler

Collection composed of:  
rectangular extendable table / dining  
armchair / dining chair / lounge armchair  
/ footstool / coffee table / counter stool  
/ barstool

Balanced example of aesthetics and functionality, the Ribot collection draws an elegant use of teak. The table can extend up to 340 cm, thanks to an exceptionally fluid, user-friendly mechanism built into the middle part of the top, making an easy extendibility and maximum stability. The dining armchairs are linked to the table in a harmonious solution of material continuity. The lounge chairs follow the formal cleanliness of the design, dressing up with comfortable seat cushions. The bistro stools introduce the use of stainless steel, creating a sophisticated combination of materials.

Technical info p. 280

## Agave

Design: Mattia Albicini

Collection composed of:  
lounge chair / coffee table

The solid teak, which characterizes the collection, has thin edges and soft curves that invite you to sit down. The mind traces the mythical '60s, while the woodworking speaks of sophisticated contemporaneity. Agave is a collection that invites to a relaxed and elegant conviviality.

Technical info p. 281

# Sling

Design: Studiopepe

Collection composed of:  
armchair / coffee table / footstool

Designed for outdoors, but perfect also indoors, Sling chair is informal with a holiday feel. Its shaped stainless steel tubular enjoys an unprecedented colour palette and the canvas seat, comfortable and sturdy, mixes geometric patterns with a vintage flavour.

Technical info p. 281

# Bold

Design: Ethimo

Collection composed of:  
triangular dining table  
/ rectangular dining table

A collection of dining tables in which the almost primitive forms combine the strength of stone and concrete with the lightness of rounded lines and shades of ivory. Concrete legs support the natural stone top with its silky smooth finish. The fluidity of the shapes and the monochrome of the nuances allow the Bold tables to be combined with seats of various styles, without losing their personality.

Technical info p. 282

Dining tables with concrete legs and tops in natural stone.  
Kilt dining armchairs.

# Boldini

Design: Ethimo

Coffee tables

Three shapes and sizes, two heights, three materials that tell fascinating stories in stone and craftsmanship, for a family of coffee tables in which every piece is unique, like the veins on their marble tops: Rosso Francia, Verde Guatemala, Sabbia Beige.

The glossy effect of the surfaces of the tops enhances the colour of the marble and the softness of the shapes. The legs in enamelled ceramic pick up on the typically Mediterranean shades of the marble, creating a natural affinity between the two materials and their surrounding nature.

Technical info p. 283

Coffee tables with glazed ceramic legs and marble tops.

## Folia

Design: Luca Nichetto

Stool-coffee tables

In its materials and decoration, Folia takes inspiration from ancient wrought iron gates, giving shape to a new multifunctional object. Functioning as both stool and coffee table, its unique personality adapts fully to any environment and situation.

Technical info p. 283

Technical info p. 293

Tables with metal frames, ceramic stone tops and optional teak base.

## Flat / Studios

Design: Ethimo

Flat – rectangular extendable table

Studios – director folding  
armchair

The Flat metal table is a passe-partout of conviviality in the open air. A table with an essential design that fits in any natural context, without interrupting the harmony.

Inspired by the iconic director's chair, the Studios collection combines comfort and technical materials. An ideal seat to complete contemporary dining sets in green spaces or at sea on yatches and sailboats.

Technical info p. 294

## Cronos

Design: Ethimo

Collection composed of:  
round dining table  
/ rectangular extendable  
dining table

Made of natural or pickled teak, the Cronos tables collection recalls the artisan tradition of wood. The base, which supports the tops, creates geometries and symmetries with a classic contemporary style.

Technical info p. 295

## Friends

Design: Ethimo

Collection composed of:  
square dining table  
/ rectangular dining table

A line of tables with essential profiles, in which the warmth of teak wood is the protagonist. Available in two different sizes, the Friends tables narrate an idea of simple and refined conviviality.

Technical info p. 295

# Laren

Design: Ethimo

Collection composed of:  
folding chair / stacking chair  
/ stacking armchair / round, square and  
rectangular dining table / high table  
/ barstool

The essential lines of the Laren collection are enhanced by the material encounter between metal and teak. A collection that harmoniously tells a conviviality with a discreet and refined style.

Technical info p. 296

## Laren

Design: Ethimo

Refined details that characterize tables, chairs and bistro stools making the Laren collection perfect in a residential garden as well as in outdoor environments with a contemporary and minimal character.

Cosmo

Design: AMDL CIRCLE

# Eivissa

Design: Ludovica + Roberto Palomba

Collection composed of:  
Climate / Light&Proof / Open Air

Eivissa pavilions are living modules designed to create spaces that provide shelter from the sun, wind and rain, contemporary functional pieces of architecture that fit into natural settings. Real open-air rooms in which to enjoy outdoor living in total comfort. With a robust structure in aluminium, each pavilion can be made exclusive thanks to a wide choice of colours, roofs, floors and perimeter and decorative accessories.

Eivissa Climate is a bioclimatic structure with roof in adjustable motorised louvers. This solution is a sophisticated, practical answer to variable requirements for light, shade, waterproofness and ventilation, creating the ideal climate and shade inside and offering good protection against the elements.

Technical info p. 304

Discover Eivissa catalogue:

Eivissa Light&Proof / Eivissa Climate

## Eivissa

Design: Ludovica + Roberto Palomba

Eivissa Light & Proof, with its contemporary polycarbonate roof, creates an open-air room, sheltered against the rain and inclement weather, that is both practical and stylish. A very attractive, sheltered, welcoming space in which to enjoy outdoor living.

Eivissa Open Air is ideal for spaces where either total sunlight or shade are required. The roof can be either completely or partially opened and adjustable shade is provided by Flow sliding canopy. Eivissa Open Air can be also completed by fixed pickled teak louvers covering.

Technical info p. 304

# Lustra

Design: Luca Nichetto

Floor lamp

Significant in size and presence, the Lustra lamp reinterprets the artisanal technique of wrought iron through a contemporary lens. Its thin lines create a graphic play, like a drawing in the air. The blown glass cap offers a warm and suggestive light.

Technical info p. 308

Floor lamp with metal frame available in different colours.  
Glass lighting unit.

## Lucerna

Design: Luca Nichetto

Collection composed of:  
rechargeable lantern / wired lantern  
/ lamp holder bracket / wired applique

Inspired by ancient Roman oil lamps, Lucerna combines the use of Led light with the precious diffuser in transparent or etched blown glass. An object with a sophisticated design that spreads a warm and intimate glow.

Technical info p. 308

## Kilt lamp

Design: Marcello Ziliani

Pendant lamp

The Kilt lamp is an idea of continuity of form and matter. The rope wraps around the teak and embraces the light, creating relaxing outdoor atmospheres.

Technical info p. 309

## Baia Lamp

Design: Christophe Pillet

Lamp

Like a lighthouse at sea, a light shines into the night and creates a magic relaxing atmosphere. The light flows uninterruptedly through the room, creating a warm cosy atmosphere. A contemporary lantern that teams a Led light source with the versatile minimalism of metal in a Carbon or Silver finish.

Technical info p. 309

## Woody

Design: Marc Sadler

Floor lamp

The light filters the teak slats, creating fascinating dialogue between matter and illumination, outdoor settings and interior situations.

Technical info p. 309

## Gaia

Design: Marc Sadler

Collection composed of:  
table lamp / hanging lamp

With stylish details, Gaia lamp interprets light with the liveliness of colour and the elegance of teak or the simplicity of natural rope. Powered by a chargeable transversal battery, Gaia is the perfect companion for outdoor living with no limits to space.

Technical info p. 310

## Milk

Design: Emmanuel Gallina

Portable solar lamp

Milk is a lamp with a 'nomadic' spirit, made of sandblasted glass, teak and leather, which evokes the traditional design of milk containers. The light diffuses gently, using the clean energy of the sun.

Technical info p. 310

## Carré

Design: Niccolò Grassi

Collection composed of:  
wall lamp / table lamp  
/ rechargeable table lamp  
/ XL floor lamp

Wood and metal come together to create Carré, a lamp available in several sizes, inspired by 20th-century classics. The Led makes it efficient and eco-sustainable.

Technical info p. 311

## Step

Design: Niccolò Grassi

Path lamp

Step is a collection of path lamps made of concrete, in nuances evoking the natural colours of the earth.

Technical info p. 310

## Ginger

Design: Niccolò Grassi

Collection composed of:  
wall lamp / wired table lamp  
/ XL floor lamp

An unexpected play of light is created by the teak slats that characterize the Ginger collection. The light seems to project itself into space with the same intensity as the sun passing through the shutters on summer afternoons.

Technical info p. 311

## Innesti

Design: Studioepepe

Plant pot

An encounter of volumes that connect in the landscape of the home, dialogue between contemporary materials and natural sensations. Devised to be used in pairs or in groups, the vases in the Innesti collection have complementary shapes that allow them to be arranged quite freely, creating a different compositions each time. The special concrete used to make them lends sophisticated texture.

Technical info p. 312

# Bulbi

Design: Studiopepe

Collection composed of:  
plant pot / side table

Warm, natural tones enhance the textural and almost primitive feel of the Bulbi vases, inspired by plant forms. Eight concrete elements create multiple arrangements that can be joined to create unusual totem shapes.

Technical info p. 313

## Tetide / Pangea

Design: Studiopepe

Outdoor rugs

The colours of the ocean and the primordial earth intertwine in the warp that weaves two threads, inspired by tribal signs. Zig zags and diamonds follow one another, brought to life by the substance which, in the warm nuances, becomes three-dimensional through the art of weaving.

Technical info p. 314

Tetide rugs with zigzag pattern in Moka and Verde Alga colours / Pangea rug with diamond pattern in Rosso Granata colour.

# Nodi

Design: Paola Navone

Collection composed of:  
Rete / Camouflage / Puntocroce

Abstract, geometric, textured patterns take shape with a grain weaving inspired by skilled craftsmanship and the Mediterranean spirit. Different shades of concrete grey and black, bright nuances of green and blue intertwine, telling the story of the design with poetic surfaces and full-bodied weaves, that convey pleasant sensations to be experienced outdoors.

Technical info p. 315

## Desert / Nomad

Design: Ethimo

Outdoor rugs

The Desert carpet is inspired by the nuances of sand and the thick weave creates a harmonious three-dimensional movement "ton sur ton".

Deep green, emerald, and turquoise are among the colours found in the Nomad carpets, which take inspiration from Mediterranean landscapes. The dense weave creates a smooth texture with a refined melange effect that enhances the colours and craftsmanship.

Technical info p. 316

Desert and Nomad rugs in polypropylene rope, 300x200 cm.

# Teak maintenance

## Teak maintenance

The wood used for Ethimo products is of excellent quality. To maintain the natural beauty of wood, it is necessary to carry out its maintenance with specific, high-quality products capable of guaranteeing aesthetic durability and functional performance.

# Ethi-care

## Rain cover

Design: Ethimo

The rain covers are made of polyester (330g/m<sup>2</sup>) and are 100% waterproof thanks to a layer of PVC. The fabric is also resistant to UV rays and bad weather and it is also ideal for use in extreme environmental conditions or on boats. The seams are sealed with a hot-rolled waterproof membrane. Equipped with air intakes to ensure ventilation and an adjustable drawstring for closing.
